

Bizarre Love Triangle

C F7M G7
Every time I think of you
Em Am
I feel shot right through with a bolt of blue
F7M G7
It's no problem of mine but it's a problem I find
Em Am
Living a life that I can't leave behind
F7M G7
There's no sense in telling me
Em Am
The wisdom of a fool won't set you free
F7M G7
But that's the way that it goes And it's what nobody knows
Em Am
While every day my confusion grows
F7M G7
Every time I see you falling
Em Am
I get down on my knees and pray
F7M G7
I'm waiting for that final moment
Em Am C
You'll say the words that I can't say
F7M G7 Em Am
I feel fine and I feel good I'm feeling like I never should
F7M G7
Whenever I get this way, I just don't know what to say
Em Am
Why can't we be ourselves like we were yesterday
F7M G7 Em Am
I'm not sure what this could mean I don't think you're what you seem
F7M G7
I do admit to myself That if I hurt someone else
Em Am
Then I'll never see just what we're meant to be (REFRÃO)
